PROFESSIONAL SUMMARY

Computer Science and Engineering undergraduate focused on software development, full-stack web applications, and Artificial Intelligence/Machine Learning. Building practical projects using modern web technologies, REST APIs, and databases. Interested in developing reliable, user-focused software and continuously expanding technical expertise.

EDUCATION

United International University **2023–2027**
B.Sc. Engineering in Computer Science and Engineering **CGPA: 3.7+**

Cantonment Public School and College **2018–2020**
Higher Secondary Certificate (HSC), Science **GPA: 5.00**

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python, JavaScript
Web Development: HTML, CSS, React, Next.js, Tailwind CSS
Backend and APIs: Node.js, REST APIs, Socket.io
Databases: MySQL, MongoDB, PostgreSQL
AI/ML: Machine Learning, Data Mining, Google Gemini AI
Developer Tools: Git, GitHub, VS Code, PyCharm, Google Colab

PROJECTS

BazarDor – Bangladesh Market Price Tracker **2026**

Next.js, React, TypeScript, Tailwind CSS, Better Auth, MongoDB

- Developed a market price tracker with product catalogs, category browsing, product details, and price-change indicators.
- Added authentication, profile functionality, and a responsive interface supporting Bengali product information.

GitHub | **Live Demo**

FitLog – Workout Library and Planner **2026**

Next.js, React, TypeScript, Tailwind CSS, REST API, LocalStorage

- Built a workout library with workout details, sorting, saved workouts, and a daily workout planner.
- Implemented completion tracking, plan statistics, loading and error states, and LocalStorage persistence.

GitHub | **Live Demo**

Borrowed – AI-Assisted Peer-to-Peer Lending Platform **2026**

Next.js, Node.js, MySQL, Google Gemini AI, Socket.io, Prisma

- Designed a community lending platform with item listings, borrowing requests, and return management.
- Planned AI-assisted damage detection, identity verification, real-time messaging, and emergency SOS features.

LEADERSHIP EXPERIENCE

Brand Canvas **June 2025–Present**
Founding Member & Creative Head

- Conducted workshops for 25+ participants and supported 10+ businesses with branding and digital marketing.

Writer's Club BD **2021–Present**
Head of Design Team

- Led the design team and conducted workshops for 60+ participants.

CERTIFICATIONS

AI-Powered Communication; Art of Communication; Corporate Presentation Skills; LinkedIn 101; Sharpen Your Interview Skill; Smart CV.
